

## Partnership block grants

### 1. What is the overall goal of the project?

The overall goal of the project is to promote local economic and social development in Croatia through increased mutual cooperation and partnership between Croatian and Swiss institutions, local self-government units and civil society organisations.

### 2. Which activities will be financed?

Financed activities will be focused on exchanging information and transfer of know-how between Swiss and Croatian organisations in the area of sustainable local development.

### 3. Who are eligible applicants and partners?

Eligible applicants and partners are local and regional government bodies (municipalities, cities, and counties), public education institutions and civil society organisations.

### 4. What is the value of the project?

Funds planned for this grant are 2,2 M CHF and it is foreseen to support approximately 20 partnership projects.

### 5. What is the duration of the project?

The duration of a single project financed through the Partnership Block Grant is up to 24 months.
